

Privacy

Tempest Car Hire treats all information collected on our site as confidential. Our privacy policy outlines how we collect this information and use it throughout our website. Information is collected by specifically requesting it from you, this occurs when you complete the booking form or elect to be added to our mailing list.

Use of information collected on the site:

We want to help you maintain your privacy on the Internet. We will treat your information in total confidence and will only share your information with our affiliates, investors, alliance partners and agents and will not sell, share or rent this information to any other third-parties. The information which we collect from you may be used for a variety of reasons, such as establishing the general demographics, statistics or market information or to compile a broad profile of visitors who access and transact via the site. Please note that all information is aggregated, therefore no identifiable individual or company information is shared with other parties.

Promotional emails:

Should you elect to be added to our mailing list we use the information we collect to better meet your needs by sending you information on new services or specials which may be of interest to you. From time to time we will email you information about us or our partners, if you do not wish to receive this e-mail you can opt out by e-mailing at [with a request to be removed from our mailing list.](#)

Cookies:

We use cookie technology. Cookie technology consists of tiny pieces of data that is stored on the your computer's hard drive and which contains information about you, so that next time you visit the site the Cookie reminds us of who you are, enabling us to achieve our goal of providing a valuable online experience to you. You can, however, set up your Internet browser to disable this cookie technology.

When we will disclose information:

We may disclose information if required to do so by law or if it is required to protect the safety of our customers or the public, or if we believe that such action is necessary to protect and defend our rights or property, the site or our customers.

Storage of information:

Information collected by us via the site is stored in a secure operating environment that is not available to the public.
